

JESSICA YAZMIN SANCHEZ GONZALEZ.

12/10/22

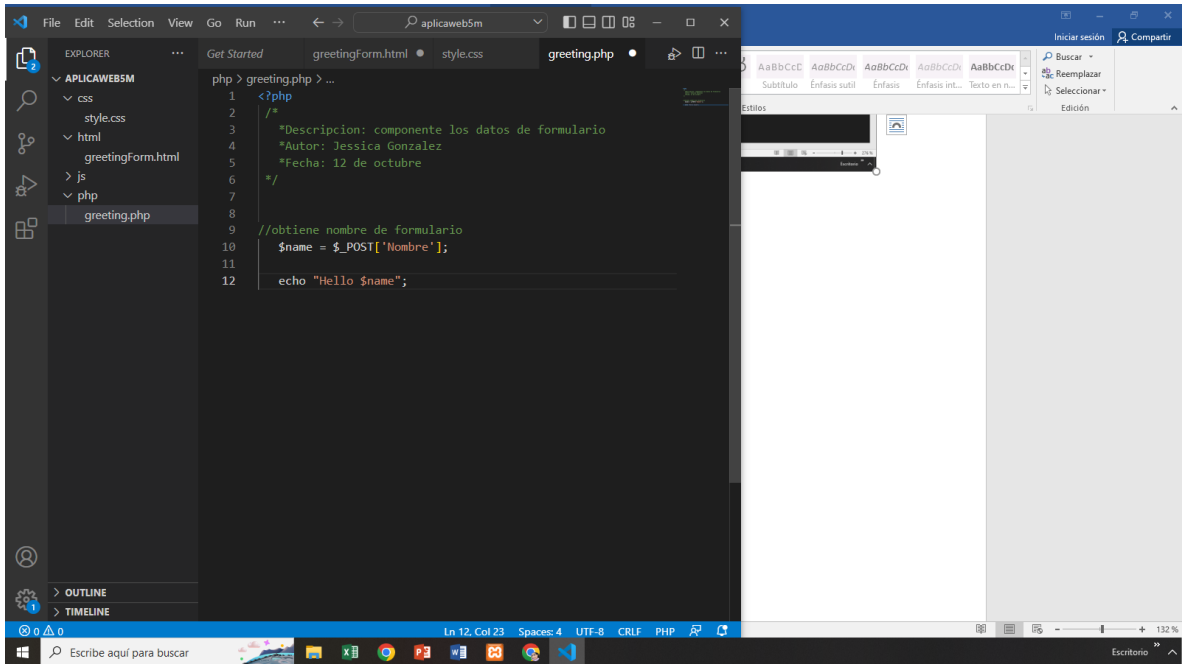

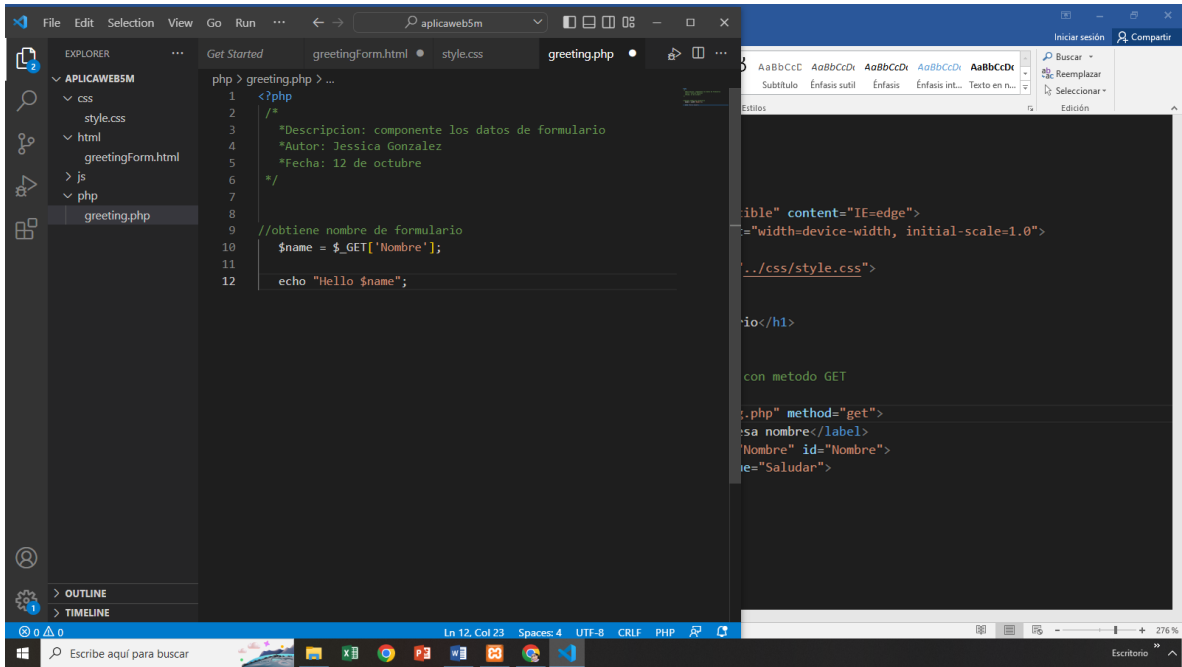

The screenshot shows the Visual Studio Code editor with the 'greetingForm.html' file open. The Explorer sidebar on the left shows the project structure: 'APLICAWEB5M' containing 'css' (style.css), 'html' (greetingForm.html), 'js', and 'php' (greeting.php). The main editor area displays the HTML code for 'greetingForm.html'. The code includes a comment describing the form, a meta charset of 'UTF-8', a viewport meta tag, a title 'Greeting', and a link to 'style.css'. The body contains a centered heading 'Greeting formulario:' and a form with a label 'Ingresa nombre', a text input field, and a submit button labeled 'Saludar'.

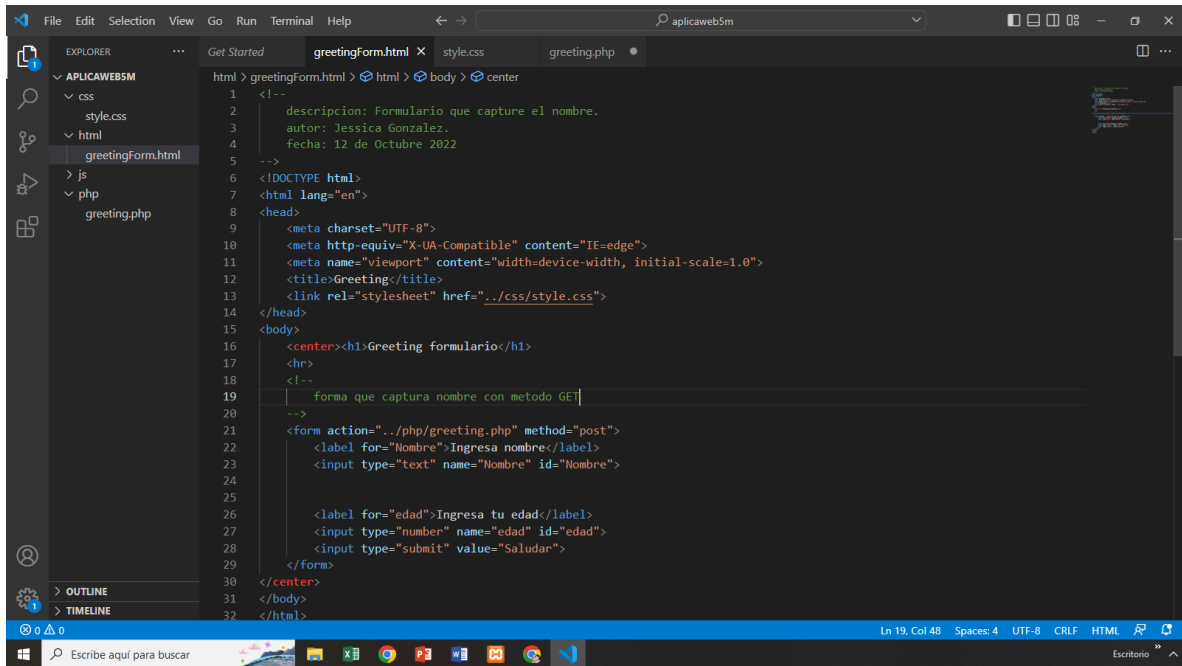

```
